11 – 12 June 2025

What is Italia NO DIG LIVE?

L'**Italia NO DIG LIVE** is the Italian trade fair focused entirely on Trenchless (or NO DIG) Technologies.

It is a showcase for the entire NO DIG production chain, especially national, and will offer the opportunity to:

- witness live the use of these technologies through **live demonstrations**;
- increase their theoretical and practical knowledge by attending Conferences and Technical Workshops accredited by various professional orders (e.g. engineers and geologists);
- establish new collaborations of both technological and business value with Italian and foreign companies.
